

Product End of Support Life Notice

CETAC Technologies is committed to providing innovative and reliable products, and supporting them as long as possible. However, it occasionally becomes necessary to discontinue a product, then, after an approximately seven-year support life, end support for the product.

Last Time Order Date: In November 1999, the product was discontinued and orders no longer accepted.

End of Life Date: Beginning on November 1, 2011, the product will reach the end of its support life. After this date, CETAC can no longer guarantee the availability of spare parts and repair services for the listed product. Note that some parts may continue to be available as long as supplies last.
