

Discontinuation Notification

March 9, 2023

We are writing to inform you of the discontinuation of the HGX-200 Hydride Generator; the last day for any final orders will be June 9, 2023.

Teledyne CETAC will continue to support the HGX-200 for 3 years after the discontinuation date. There is no recommended Teledyne CETAC replacement for the HGX-200 Hydride Generator.

Please contact your regional Teledyne CETAC Sales Manager for availability of an HGX-200 Hydride Generator.
